

PROFIT FROM BEING ON THE PLUS SIDE

Hi <member name>

Wish you had more hours left in the day and more money in your pocket at the end of the month? Go from simply surviving to thriving by reaping the rewards of a multitude of exciting lifestyle benefits that save you both time and money.

HERE ARE JUST SOME OF THE WAYS YOU CAN BENEFIT:

Need a well-deserved break? Go on a relaxing retreat and **get great travel deals and discounts**, plus get everything planned on your behalf.

Just received your tax reimbursement and need advice on investing it? **Get expert financial advice** and make your money work for you.

Eager to sort out that problem with your pool pump? Take advantage of our home maintenance experts and **get things sorted in time for spring**.

Planning something special to celebrate Women's Month? **Save time, money and energy** by letting us arrange, book and coordinate activities on your behalf.
